### Cool Duds for Dad

**Q**UICK! Before he buys a fanny pack to tote his gadgets, give Dad new gear for Father's Day. (Trust us, he *really* doesn't need another tie.)

- The SeV Ultimate Hoodie has earbud loops in the collar to hook into headphones, and six roomy pockets ([scottevest.com](http://scottevest.com); \$70).

- He can store a phone, MP3, PDA

or camera in a BlackCoat T-shirt's compartments ([koyono.com](http://koyono.com); \$39).

- GoodHope's G-Tech Psycho backpack has a control panel sewn onto the shoulder strap, so Dad can use his iPod while it's tucked inside the bag ([goodhopebags.com](http://goodhopebags.com); \$120).

- Prie's Tunewallet holds credit cards, bills, coins, ID—and an iPod ([tunewear.com](http://tunewear.com); \$30-\$60).
