The entertaining, innovative, practical catalog

## NEW! The world's first backpack with integrated iPod™ controls!

Innovative new backpack features a discrete, yet secure iPod™ pocket while a built-in earphone jack and integrated control panel on the strap lets you easily plug in and adjust controls without fumbling with the actual unit. Roomy and spacious, with compartments for your laptop and books as well as an organizer compartment, quick-access open pocket, and zipped

compartment on the front. Padded back and straps for comfort. Hand washable. 18"H x 15"W x 9"D. Colors: black, red, or royal blue. Fits laptops up to 15".

**GB1101G iPod™ Backpack**  
**\$139.99**

Built-in controls.

Works with any iPod™ (not included).

*Fits easily in handbag or briefcase!*

Works with your Bluetooth-enabled device (not included).

## NEW! Wireless roll-up keyboard stores quickly and easily

All you need is a Bluetooth-enabled smart phone, PDA or handheld computer and you're all set — just unroll the standard size keyboard, connect, and start typing. Easily compose emails, documents, and instant messages from virtually anywhere, then simply roll it back up and store it away until next time. At under three ounces, it's lightweight, non-breakable and completely washable. Includes keyboard, 2 AAA batteries, phone stand, nylon bag, user manual, and software CD. 12"L x 4 1/2"W. 2.4 oz.

*Roll it up and you're ready to go!*

**GB1102G Wireless Soft Keyboard** **\$194.99**
